

NEW ORLEANS REGION: Party Preferences by Voting Districts based on Election Results for the year 2008

Note: in the New Orleans region about 18% of votes are early votes that are not reported at the precinct level. Early votes, however, are reported at the county level. For the map results, early votes are added back into the precincts according to the precincts' percentage share of same day votes within a county (by election race and party).

Legend

Blue	Democratic >= 60%	(473)
Light Blue	Democratic 55 to 59%	(37)
Very Light Blue	Democratic 50 to 54%	(31)
Light Orange	Republican 50 to 54%	(43)
Orange	Republican 55 to 59%	(48)
Red	Republican >= 60%	(370)
Purple	Exact Tie	(1)
Grey	No data	(5)

Voting Districts with "No data" did not have sufficient data available.

Note: There were not enough competitive races to calculate volatility scores in Greater New Orleans.
